http://en.wikipedia.org/wiki/Californian_Hindu_textbook_controversy - find the reference to DFN - we need to edit this. Also, see below about a lawsuit on the California board of Education - do we have any connection with lawyers who can write an amicus cuiae?

Ben, sorry to be so quiet.

* as you know we have tow law suites now. Dies your group have lawyers? If so, they should file an amicus curiae. Tomorrow, however, a first emergency meeting.

I will send you all pertinent files.

* Please check what WIKIPEDIA says about your organization. You should weigh in. They always put back what I erase...

See: <a href="mailto://en.wikipedia.org/wiki/Californian_Hindu_textbook_controversy">
